5106 East Desert Jewel Drive
Paradise Valley, Arizona

4BR | 4BA | 4,238 SQ FT
\$1,695,000 | MLS# 5503425

Nature and art lovers will appreciate this secluded 2.98 acre, Paradise Valley Desert Modern property. Located at the foot of Mummy Mountain, this classic red Mexican adobe was designed by architect James Flynn and has been featured in Phoenix Home & Garden magazine. In addition to its vaulted ceilings, exposed beams, travertine and wood floors, the floor plan includes a large master suite complete with library/study and office, 2 additional bedrooms and 3 bathrooms in the main house, separate guest quarters, and 3 car garage. From the pool and patios enjoy the natural Sonoran Desert and bird sanctuary. This property presents a perfect opportunity to create your own vision for a renovation and/or expansion.
